Government Code Section 11349.3

Title 16, California Code of Regulations

OAL File No. 2013-0315-01 S

Adopt sections:
Amend sections: 2614
Repeal sections:

The Council of Landscape Architectural Registration Boards (CLARB) is the national test vendor that supplies the Landscape Architect Registration Examination (LARE) to the Landscape Architects Technical Committee. In September of 2012, CLARB implemented structural changes to the LARE to better align the content with current practice changing the LARE from a five section exam to a four section computerized exam. The California Architects Board (CAB) proposed to amend section 2614 of title 16 of the California Code of Regulations to provide a transition plan for candidates who were not successful in passing all sections under the prior LARE and who are required to transition to the new LARE.

OAL approves this regulatory action pursuant to section 11349.3 of the Government Code. This regulatory action becomes effective on April 8, 2013 pursuant to Government Code section 11343.4(b)(3).
