Government Code Section 11349.3

OAL File No. 2013-0531-01 S

The California Architects Board proposed this action to amend title 16, California Code of Regulations, section 2620.5, which is the sole regulation that governs extension certificate programs for landscape architects. The proposed amendments are intended to update section 2620.5 to conform to updates made to the Landscape Architectural Accreditation Board standards in 2010.

OAL disapproves this regulatory action for the following reason(s):

The disapproved regulation(s) fail(s) to comply with the Necessity standard of Government Code section 11349.1.

Within seven (7) calendar days of the date of this notice, the Office of Administrative Law will send the adopting agency a written decision detailing the reason(s) for disapproval of this regulatory filing. Pursuant to Government Code section 11349.4, the adopting agency may resubmit the regulation(s) within 120 calendar days of receipt of that written decision.
